Customer Reviews

Absolutely love this set. It's very high quality, printed on nice thick paper. I'll be getting these bad boys framed!

Perfect for the *Destiny* fan, almost like large post cards. Very good quality, nicely put together and the images are amazing!

I purchased this for my 12 year old son. The posters are of beautiful color and quality. Each one is thicker than a post card so we don't need to buy frames, he just taped these up on his wall. A beautiful book if you don't want to remove the posters. But, a fantastic gift for the *Destiny* lover.

EXCELLENT QUALITY.

Its posters...for your wall...to stare at...and dream about...

This comes with 20 posters that are absolutely incredible looking! I normally purchase the cheaper \$5 posters from Walmart to hang up on the wall..but these are so much better. Only three of 3 those posters would have matched the price of this collection. They rip easily and are a pain to hang up. These..however..are thick material and are simple to remove from the book. I recommend this product to anyone who is a Destiny fan like myself.Ohh..and I did not receive any free items or deals for posting this review. I just really love these posters!

These Posters are amazing!!!!!! I have all of them hanging up in my room and they look Phenomenal! Only one complaint the first poster in the front of the booklet dosent come off easily other than that 5-stars!

Great posters that are easily torn out. Keep in mind that these poster pictures are all from year 1 of Destiny and not from year 2.

For my son... he loved it!
