Customer Reviews

It's just missing a few chords that I expected to be included on the poster. I think it's either E flat chords or B flat.

Nice big chord chart for the ukulele. I think the pictures of the instruments look nice, but without them the chord section could have been even bigger. Overall, it is a very good product.

This was a gift for my 8 year old nephew. I was happy that it was colorful and easy to understand. He loved that the most useful chords were all in one easy reference place.

Usually, posters this cheap are really small, but this poster is big and looks fine. Great for a beginner!
