The Tailored Interior

Synopsis

Multi award-winning architect and interior designer Greg Natale does things differently. His bold signature style juxtaposes clean lines with repeating geometric patterns, unadorned walls with highly embellished feature pieces, and empty space with vivid splashes of color. At once contemporary and vintage, restrained and flamboyant, sophisticated and playful, Greg's spectacular interiors integrate architecture, design and decoration to create visually breathtaking masterpieces. In this stunning photographic collection, Greg guides you through building a concept, layering different elements for cohesion, embracing empty space, and using color and pattern to add the finishing touches. Filled with practical advice and paired with beautiful photography from Anson Smart and a foreword from Jonathan Adler, The Tailored Interior will provide all the inspiration you need to transform your living spaces into works of art.

Customer Reviews

Greg Natale clearly knows how to create luxurious and sophisticated spaces, and this book gives many examples. Lots of gorgeous photographs -- very inspirational. Not sure why the previous reviewer objects to Jonathan Adler furnishings (which I happen to love), but in any case, Mr. Natale selects furnishings and objects from a wide variety of sources -- and he explains how he approaches his design projects, which is quite helpful. Highly recommended for fans of stylish interiors.

Love this book!

Had I known it featured mostly Johnathan Adler furnishings I would have bypassed this book.
