I was looking underwater dogs. But it is sold out. And i bought puppies. Love it

No matter how bad a day you've had, the pictures in this calendar will cheer you up. Looking at it is like a brief little meditation during the day. I've bought one each year for the last three years and I never get tired of looking at them.

My daughter will love this, the pictures are so unique and make you smile with the silliness of the dogs innocence. There are thousands of calendars out there with cute dogs, this one takes it to a whole new level.

I buy one of these every year, love love love them! Also, I give one to my grouchy brother every year for christmas, and he has the biggest smile on his face. Last year I forgot to get him one. Come Christmas, he told me he was really looking forward to this years calendar, so I had one shipped to

his house before the new year. Guess they really do melt even the coldest of hearts. That's how great it is.

It does not get any cuter than this! Very nice calendar! It is not flimsy and the pictures are too cute. The calendar arrived quickly and I was more than happy to fill in the dates as soon as I received it.

Love these calendars. Last year was the first time that I bought it and I had to purchase another for this year. I keep it in my office and it always makes me smile inside when I'm having a tough day and see these cute and slightly crazy underwater pictures.

I get Geary comments in this calendar at the office every day - not just when I change months to a new picture. So cute! The calendar has a good weight for the paper and does not bleed through when I mark events in sharpie.

Got this calendar for my dog Alvin. He hung it above his dog bowl and has been able to organize his schedule a lot more efficiently. He hasn't been late for events (including feeding and play times) and he enjoys looking at the pictures of the dogs underwater. I would say that it does the trick.
