Customer Reviews

Author JP Hansen is an executive recruiter who gives insider information about how the job search and selection process works. His Q&A section is just like having a discussion over a latte at Starbucks. He asks and answers all the questions you want to ask and need to know about finding bliss in what you do in life. On a personal note, we revamped a friend's resume using his resume template outlined in the book, and she landed her dream job.

This book is a very funny helpful book for anyone looking for their perfect career/job. It was immensely helpful with interview questions/answers and resume templates. Hansen is an easy read and comical while at the same time assisting those of us needing help with job recruitment.

I loved "The Bliss List" book so much that I decided to use this audio book when I travel. I found that I gained a deeper understanding of the book as I listened. The narrator (Author?) has a nice voice and that definitely helps. "The Bliss List" is a classic: every time I either read or listen to the wisdom,

good things happen. Well done!

J P is an extremely knowledgeable and insightful professional. His book provides insight on approaching your career opportunities and identifying key best practices. Highly recommend his book!

"I applied the concepts contained in The Bliss List and my life has improved exponentially. I love the practical advice."

After reading The Bliss List, I decided to try the audio version and found it to be even better than the book. The narration is great and while driving, I found myself pondering what makes time stand still for me. It made an otherwise long drive seem to fly by!

After reading (and re-reading) The Bliss List, I picked up this terrific audio version. Being able to listen while travelling, this audio did more than just pass the time, it inspired me! Great narrator.

I found this book to be well written and a huge help in my pursuit of my dream job. Loved it.
