Customer Reviews

This is the third year that I've purchased this desk calendar with the tear off daily pages. I have it on my desk at work and I receive compliments frequently from customers . The pictures are beautiful and I love the quotes. I will continue to purchase this for years and years to come! This makes a fun and affordable Christmas gift for all my barn friends.

Quotes often are inane, completely unrelated to horses, and don't fit the photo. It has nearly nothing to do with what horses actually do teach us. Two stars because the photographer does have skill...at photography. Disappointing overall.

I keep this calendar in my office. I really like the photos and the little sayings that come with each picture---sometimes they're funny, sometimes they're wise.

A delightful addition to my 12 year old's desk, at a great price.

Gorgeous pictures ~ wonderful way to geet each day
