## Customer Reviews

The calendar is OK, except for the following:1. The photos are a little disappointing. Some of them focus on elements in Gaudi's works, rather than on the work as a whole.2. The days are listed Mon-Sun, rather than the usual Sun-Sat. This was indicated in the calendar description, but I found it to be more inconvenient than I expected.

The calendar was lovely, but contrary to American custom, the week begins with a Monday. Rather than constant vigilance to ensure that my dates were correct, I retired Gaudi to the art gallery and bought a calendar than begins with Sunday. Old habits, you know.

This is a nice calendar and I purchased it as a Christmas gift for someone who wanted a calendar centered on Barcelona. However, I honestly think the price is a bit hefty for a calendar.
