## Customer Reviews

This book and another one I ordered (Fire Trucks) was not very good at allâ |It was poorly printed, where you could not make out a majority of the pictures (lines thick and blurry)â |I contacted them immediately and they did respond right away, and informed me they are reprinting their booksâ |This was in MAY 2016â |They also told me they would send me new coloring books to replace the ones I had boughtâ |I have not heard from them since, and it is now AUGUST 2016â |Being a customer and giving them money, I feel like they should be contacting me and not the other way aroundâ |I am not happy at all about my purchase :-(â |IF they get around to sending me revised copies of the two books I ordered, then I will be more than willing to give an updated reviewâ |Like I stated, I

bought these books with my own money and I always try to look at the positive in life, but I had to be honestâ |UNLESS these coloring books have been revised, they are not the quality one would expect!

Just as described - very detailed photo prints. Minor flaws in printing.
