Customer Reviews

I was happy to find this new coloring book series of fun sayings and cute wild-haired women by Sue Toronto. This is one of four to-go size books (8.25 x 5.25 inches) that are being released. In this book, the sayings are all about inspiration â “ encouraging you to do more and reach further. I like that the books are being separated by subject. That way, I can pick up just the one that I need that particular day. There are lots of coloring elements on each page and room to doodle (if you so choose.) The book fits well in my handbag or tote for on-the-go coloring. I can either take the whole book or simply remove a page to take with me. I did notice that there were three duplicate designs between this book and the Friendship book (Plan B, Rise by Lifting Others, and When You Stumble.) Not an issue for me as I will simply give my duplicates away but I wanted to be sure to note this. I don't know if it was intentional or not. For my first project in this coloring book, I chose a saying that I could understand â “ there are no end of silly things I can do when I'm not working on

what I am supposed to be doing! I used alcohol-based markers and Tombows. There are small spaces to color but nothing really tiny.I will provide more detail about the physical book below but here is an overview of what I found:28 Fun Sayings DesignsPrinted on one side of medium weight perforated paperDesigns stop before the perforationsGlue BoundAlcohol and water-based markers bleed through the pageIndia Ink pens bleed through the pageGel pens do not bleed throughColoring pencils work well with the paperThis is a coloring book published by Design Original books.
