## Customer Reviews

If you're like most people, when you think of "Nouveau," you think of lovely, willowy ladies, botanical motifs, and luxurious, flowing curves. All those things are here--but so are "futuristic" and "abstract" designs that foreshadow the coming of Deco. Animals from frogs to tigers, flowers, leaves, fruit, angels, geometrics, Orientalist and Indianesque block, and of course the obligatory women, are represented in stencil, silhouette, and pen-and-ink form. All are small in scale--the typical page carries a minimum of four on each of its two panels--but they're clearly reproduced and done in a size that's easy to study and enjoy. If you like Nouveau, you shouldn't miss this collection.
