# Coloring Paris: Featuring The Artwork Of Celebrated Illustrator Tomislav Tomic (PicturaTM)

## Synopsis

Pictura showcases a stunning range of art to collect and admire and encourages beginning to advanced artists to put their own stamp of creativity on the artwork by coloring it in. Its unique accordion foldout format makes it an attractive decorative piece that can be displayed and shared with others. Some of the world's most famous and respected illustrators set the foundation of the artwork by creating beautiful, original, and imaginative scenes. It is up to the individual to color in these spectacular settings, enhancing the scenes and adding their own personal touch. Coloring Paris features the unique art of talented artist Tomislav Tomic, whose style is so detailed and precise that his drawings take on an engraved look. Through Tomislav's beautiful renderings of Paris, circa 1900, artists are transported to a city filled with excitement as it holds the World's Fair. On the flip side of the panel, artists can learn more about the featured landmarks and how to draw a hot air balloon and your own Parisian scene. With so many details packed into an 8-panel display, Coloring Paris invites artists to explore an exciting time and place in history in the comfort of their own home.
