Drawing Cute Animals In Colored Pencil

Synopsis

Drawing Cute Animals in Colored Pencil offers simple step-by-step drawing instructions that help you to learn how to draw your favorite animals. Adorable animals like rabbits, squirrels, deer, and pigs come alive with vibrant color and beautiful detail. Using colored pencils learn tips and techniques to easily draw an elephant, polar bear, lion, alpaca, hippopotamus, and more adorable creatures. The instructions are simple to follow, but detailed enough so anyone can easily achieve great success in replicating each figure. Author Ai Akikusa loves animals and she shares interesting details about each animal in each section. Enjoy Drawing Cute Animals in Colored Pencil as a guidebook to animals and drawing in color!

Super cute and sweet drawings of animals. Very inspiring and I love how the colored pencil is used in a less opaque way. Some people use colored pencils so opaque that it looks like paint, but to me that takes the unique and charming character of the colored pencil effect away.

I LOVE this little book. It's fairly simple but gives many examples of different animals. Offers step by step instruction which is always nice. It also gives different angles (even a section on the "bum") and tips on body shape, fur, and colors. I would recommend it for older children through adults who want a simple guide to drawing animals - in any medium not just colored pencil. Very nicely done!

Adorable book! So happy I bought it. It's calming to work with... I say that because sometimes

drawing books have too many steps and details that make the whole experience not very fun. This book is great all around! I wish he had a full series! I would buy them all.

It's so easy to understand this. It doesn't matter if for kids or adults. I can't wait for the next drawing book to come out next.

Cute pictures, simple step-by-step drawing hints.

I bought this great book for my granddaughter who got stuck on just drawing ducks. She loves it and is now producing more diversified animal art.

got this to help inspire me to make art for my sisters baby's room, very cute and fun and cover like every animal most would want!
