As a professional piano teacher, I am a big fan of Faber series books. Pieces in Performance book, level 2b, actually are beautiful. I like Pagoda tree, Dragon Hunt.....Some pieces we can play in Recital too. Nice book over all!

My son used Bastien piano basic in the beginning when he was 3. A few months later after he finished level 1B, he transferred to Piano adventure (Lesson, Theory, Performance, Technic & Sight-reading), because his piano teacher was using it. It's well organized. We all like Piano adventure more, and my son loves to do theory book the most. His teacher teaches him Suzuki level 2 at the same time. Now he is almost 4 and half, he finishes Level 2A , half of Level 2B and half of Suzuki 2. I am going to buy Piano adventure Level 3A.

I love the pieces in this book. Initially I couldn't find this book at the store so I got the 2B - Popular

Repertoire, but it is a higher level compared to the Performance Book, and so was too challenging. I'm glad I found the Performance Book online. It is a bit easier, and I love its selection of music pieces.

Good song selections, progressively challenging lesson plan. My daughter really enjoys it. It motivates her to play regularly and she has been making solid improvements in her piano skills and music theory knowledge.

I've only been using this book for a few months but my piano students really enjoy the songs! There is something for everyone- Classical, Jazz, and Novelty pieces. Performance 2B is a great motivator. I also like the corresponding Hymn book. This is the only Performance book I've used from this series, but I will be purchasing the other levels so I can review them for my students as well.

Arrived on time and in perfect condition. Great series for piano students. I have used these from the beginning with my kids and find them very easy to follow. They have very nice songs, and have a diverse collection of music.

Great book. My son loves learning the new songs, which keeps him engaged in his lessons and practice time... Anything that can help keep a child interested in practice time everyday so they can keep progressing/advancing in levels is HUGE! I like the Piano Adventures books.

gave this book to nephew for christmas. he was so excited to get them. he started playing them right away.
