## Reaper: Boston Underworld, Book 2

## Synopsis

Sasha. He's dark and mysterious. Quiet and lethal. An Irish mobster. Pure sin wrapped up in a beautiful package. But there's also something off about him. He doesn't feel anything. He shows no emotions. Sometimes, I question his humanity. He hasn't spoken to me in two years. Not a single word. But we share a secret, he and I. And if it ever comes out, I have no doubt in my mind.... He won't have a problem killing me, too. Ronan. I've slain for her. I'll do it again. When it comes to Sasha, there isn't a line I won't cross. I watch her. She doesn't know it. She thinks I hate her. Sometimes, I think I might, too. But I'm always there, lurking in the shadows. Craving her. Trying to keep the beast within at bay. I'll keep her safe. I'll slaughter anyone who tries to hurt her. The only thing I can't do...is protect her from myself. This is a full-length standalone novel full of hot Irish guys with accents. Dark mafia themes throughout. HEA included.

## Book Information

Best Sellers Rank: #25 in Books > Audible Audiobooks > Romance > Suspense #110

in Books > Audible Audiobooks > Fiction & Literature > Action & Adventure #115 in Books >

Romance > Action & Adventure

## Customer Reviews

Despite it being a dark story, which is not my thing I really enjoyed reading the book and loved the hero, Ronan. SPOILERS included below! I loved Ronan despite him being a cold blooded killer. He was so traumatized by his past and it left him without any social skills. He would and did anything for the heroine, including kill for her. I never doubted his love for her. I loved reading how she helped him learn how to live and give meaning to his life and visa versa. I loved that Ronan gave her his v-card and was only ever with her. I wish she did the same but given that they are both adults I understand why she was no longer a virgin when she met him. In fact, she had been sleeping with men under

duress, which was sad. There are potential triggers in this story including child abuse, attempted rape of a child & physical abuse. Therefore if any of those things bother you then either don't read this story or skip over them. The child abuse and attempted rape is in flashback form.

Ronan and Sasha's book was every bit intense as Crow (Book #1 in the Boston Underworld series). Ronan works for the Irish Mafia in Boston. He wears suits and glasses and may look like a business man but is actually quite deadly. As the name suggests, he reaps life. Ronan is an intense character. He speaks little, does what Crow asks of him and always, always he watches Sasha. Sasha works as a dancer in a club run by the mafia. She and Ronan have very little but have an intense connection. They share secrets that can hurt them and an attraction neither of them want, but can't deny. It was agonizing reading about Ronan and Sasha wanting each other but staying away from one another. You could see the love and the hate as they both fought their emotions. But in the end, they had to give in to what they were feeling and what a glorious scene that was!!! I love a book with strong female characters and Sasha is that. She did what she had to do to support her mother and survive. Some might look at it as taking the easy way out, but Sasha's life is anything but easy. She knows the world she was pulled into, she plays by the rules, she doesn't really believe in HEA but still thinks about Ronan, he is the one person that grounds her. I loved that about both Ronan and Sasha, they had each other, even when they weren't together. The presence of the other person was enough to get them thought. They were both such complex and damaged persons, no one deserved an HEA more than they did. After all the drama and heartache (A. Zavarelli broke my heart, but she does that with each book) the conclusion to the story and epilogue especially were magnificent. If you love Mafia romance with lots of action, drama, strong heroine and a virgin alpha male who protects his loved ones at all costs, this is the book for you. Another 5 star read from A. Zavarelli!

Wow. Where do I begin. Let me tell you Ronan was tall dark and handsome and dare I say sexy as hell. He is sin on wheels. His character was outstanding he has suffered more than any man I have ever read. His upbringing was awful, he had to witness and do terrible things. Ronan thinks he is undone, broken, he has to do in order to survive. When He meets Sasha, he protects what is his and if you even think of crossing him or hurting his beloved oh you better run, you won't see him coming. But what I loved most of all was the romance and the connection Sasha and Ronan had. She brings out a side of him, he thought was long gone. She breaks his walls and they both fall hard for each other. Love books where a character is all scary but when his woman is near him he is a big

teddy bear. You will want to put your seat belts on folks, this was on crazy ride. Just the right amount of violence, death, and the sexy romance. I definitely recommend.

Wow, that's all I can say for this book. From the very beginning this book sucks you in, and never lets you go. It's dark, almost feels impossible, but as the story unfolds you begin to see things differently. Ronan and Sasha's relationship (if you can call it one) is so crazy, that it leaves you curious to see what they do next after every encounter. The difficult situations they find themselves in, leave the two in awkward places with one another throughout most of the book. The heartbreak, love, and the other crazy emotions they, as well as I, went through leave you craving more! I can't forget the supporting characters, they were just as amazing as the main! To be honest, I felt like I was watching a movie, rather than reading a book, it was so intense. Ms. Zavarelli is an amazing storyteller, and I will definitely be reading other work she has written, and whatever she has yet to come! Again, wow, what an awesome book!!!!!!
