Strings Extraordinaire! Performance Ensembles - A Multi-level Approach. (Violin)

Synopsis

String extraordinaire is a progressive collection of classical, traditional, folk, and original compositions for performance by students of different playing levels. All pieces are scored with an advanced and a beginning part for each instrument. The contents are organized to take string students through the school year beginning fall and culminating with end-of-the-year concerts.

Customer Reviews

This set is getting hard to find. Ordered recently from a big music house and got the new edition which has different rep. I like this one the best and hope it's not going out of publication. Great variety of standard rep and holiday. Perfect for a grade 1 string orchestra as it's hard to find really pretty stuff for this level.
