The New Yorker Covers Poster Calendar 2016

Synopsis

For nearly a century, the cover illustrations of The New Yorker have been renowned for their wit, artistry, and droll social commentary. The New Yorker Covers Poster Calendar offers a dozen exquisitely reproduced coversâby Christoph Niemann, Maira Kalman, Arthur Getz, and other celebrated illustratorsâreflecting their eras and the magazineâs signature style. Each of the calendarâs pages is a work of art designed to be framed, displayed, and appreciated throughout the year and beyond.

Looks great oon the wall. Using currently the 4 last month of 2015 page. Be careful to always suspend using several pages or it might fall down due to the weight (as it happened to me).

I am very pleased with this calendar - the images are big and bright and well-chosen artistically. The functional part of the calendar is also easy to view and use. The images are detachable and on heavy paper so you can easily remove them when the month has passed and use them as posters or prints I plan to use the calendar in my work cubicle and also detach my favorite images from previous months to decorate the cubicle. I would buy this one again next year.

Bought the 2015 one last year and I lovvveeddd that one, so I think this will be my go to calendar from now on. The art is awesome - I love the fact that this calendar uses old New Yorker magazine covers, and each piece has a different feel to them. Some of the pictures are more cartoony and

cute, and some are more elegant and scenic. The pictures are also really big and a great pop of color! The size of the actual calendar grid is perfect too. Not overwhelmingly large, but big enough so that I can list all my items for that day. Wonderful calendar, will probably repurchase in 2017 :)

This is the 2nd year I've had this calendar. It is the only calendar that I've loved to look at the monthly calendar page all month long. Still on January now and loving it (check it out! - January 12, 2009).

What better way to start the new year than with covers from the New Yorker!

I'm very pleased with this calendar. I like the large format and the images are all printed nicely and they are very colorful and clever.

This is my 2nd year receiving these New Yorker covers made into calendars. As a former New Yorker living on West Coast..I love seeing the artwork filled w/nostalgia and humor.
