Van Gogh Stained Glass Coloring Book

Synopsis

Vincent van Gogh used a vibrant palette of Prussian blue, chrome orange, vermillion, and other bold colors to express moods rather than literal reality. These 16 full-page black-and-white reproductions of his most popular works – including *The Church at Auvers*, *Van Gogh's Bedroom*, and *Still Life: Vase with Twelve Sunflowers* – offer chances to get adventurous with color. Afterward, hold the translucent pages up to a light to admire the brilliant stained glass effects.

Book Information

Paperback: 32 pages

Grade Level: 6 - 8

Customer Reviews

It is hard to recreate anything done in paint or watercolor with colored pencils. This was not the best choice coloring book for colored pencils. I love Van Gogh's work and the pages look very nice and are a good quality. You could attempt water color on a very small scale.

I'd been doing coloring books for adults for a while when I stumbled across these stained glass ones, which are stunningly beautiful. You can do them with acrylic paint, pencils or gel pens, and you can color them in on one side or on both for different effects. I love Van Gogh and have a huge coffee table book of his work, so most of these are in it and I can compare the colors to the original to create something similar. Lots of fun!

THE RECIPIENT OF THIS GIFT LIKED IT VERY MUCH. SHE'S A FAN OF VAN GOGH, AND SAID THAT DURING A SLOW MIDNIGHT SHIFT, IT REALLY MADE THE TIME GO BY! SO IT WAS A SUCCESSFUL BUY!!

It's a good stress reliever. This was my first..

I am very satisfied with the purchase; the product is better than I expected it would be!
