## Customer Reviews

This is a great collection of solos of varying styles and difficulty. I use it and the CD with several of my private students. I encourage them to put the CD on their MP3 players so that they can listen to the artists perform and to practice with the accompaniment whether they use a live pianist or not.

Great collection for alto sax students. Classic solos. Product fulfills great expectations. CD has quality performances with great sound. Thanks.

Good idea, good resource material. Rubank should have picked another saxophonist to record the solos.

I bought this for my daughter. She needed it for school.

Great.
