In The Company Of Women: Inspiration And Advice From Over 100 Makers, Artists, And Entrepreneurs

Synopsis

I'd want to rip out every page of this glorious book and hang them on my wall so that I can be surrounded by these incredible women all day long. • Emma Straub, New York Times bestselling author of The Vacationers and Modern Lovers Across the globe, women are embracing the entrepreneurial spirit and starting creative businesses. In the Company of Women profiles over 100 of these influential and creative women from all ages, races, backgrounds, and industries. Chock-full of practical, inspirational advice for those looking to forge their own paths, these interviews detail the keys to success (for example, going with your gut; maintaining meaningful and lasting relationships), highlight the importance of everyday rituals (meditating; creating a daily to-do list), and dispense advice for the next generation of women entrepreneurs and makers (stay true to what you believe in; have patience). The book is rounded out with hundreds of lush, original photographs of the women in their work spaces.
