## **Customer Reviews**

This book has the same repeating pictures that were in Adult Coloring Book 100 pages. When looking inside of these books before purchasing, not enough of the pages are shown for you to make a good decision. I would like to be able to see more so that I don't make a bad choice like I did on this purchase as well as the before mentioned book.

I think I've found what I was looking for! Girls and boys always want fashion. They are always attracted to beautiful designs. This coloring book will help you consider many fashionable designs for adults. Coloring book like this one is such a useful guide on looking for a good trend and of course in releasing stress for adults. Coloring book for adults like this one is fun and exciting to keep. So we need to look no further and we have to grab this now. I like it because it is good for me

and I know it is great for you too.
