# Vintage Women: Adult Coloring Book #7: Vintage Fashion Layouts From The Early 1920s (Vintage Women: Adult Coloring Books) (Volume 7)

## Synopsis

This is not a typical coloring book! It features authentic vintage images that were drawn nearly a century ago. The early 1920s was a time of flappers and freedom, ragtime and jazz, The Great Gatsby and the silver screen, along with stars like Mary Pickford and Norma Talmadge. "Flappers" were all about confidence, bucking tradition, and forging new paths. Naturally, the styles of the early '20s demonstrated how young women were rebelling against corsets and petticoats, instead adopting simpler, sassier clothes with straight lines that were flirty and emphasized the much-desired slender frames. Between these covers, you will find 43 coloring pages with more than 180 different examples of outfits popular during the twenties -- dresses, suits, coats -- and including hats, parasols, shawls and other on-trend attire. All are from newspaper fashion features, which showed the newest styles drawn into a trendy layout or location. As you will see, the stereotypical "flapper style" seen in modern media really represents just a fragment of what was considered to be in vogue at the time. While the silhouettes were usually sleek, the fabrics, ornamentation and accessories often made up for such simplicity. And now it's time to give these outfits from the Roaring Twenties the color and the verve they have been missing for the better part of a century! Note: In keeping with the original designs, the pictures are often very intricate, and there are large areas of black on certain pages. We chose not to over-simplify the artwork because of the tremendous amount of detail (and personality) that would be lost in the process. Please visit the publisher's site at [Synchronista.com](http://Synchronista.com) to view thumbnails of the illustrations in this book.

## Book Information

Series: Vintage Women: Adult Coloring Books

Paperback: 100 pages

Publisher: Synchronista LLC (March 4, 2016)

Language: English

ISBN-10: 1944633065

ISBN-13: 978-1944633066

Product Dimensions: 8.5 x 0.2 x 11 inches

Shipping Weight: 8.8 ounces (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars [See all reviews](#) (3 customer reviews)

## Customer Reviews

While I enjoyed this coloring book immensely, there are some things colorists should be aware of prior to purchasing it. Most of the pictures are on the small side and the fashions are quite detailed. Also, the women are illustrated in the fashion sense of that time period; [1920s] and they are not the curvy look of today. The majority of the women have very small or frequently non-existent bosoms, long torsos, slim hips, and somewhat elongated arms. The fashions are well represented and I delighted in coloring them. The pictures are only printed on one side of the page, so you do not have to worry about bleed through; although I slipped a blank piece of paper between the pages as a precaution. I have done other Vintage Women coloring books and intend to eventually color them all.

Vintage Women coloring book is exactly what I thought it would be. The illustrations are clear and usable, several to a page, and represent the clothing I remember my female relatives wearing when I was very little. True to life, represents clothing as it really was, and, if you are interested in antique fashions, a joy to color and remember.

This book looks as though the pictures were photo copied straight from the newspaper that they debuted in. Very, very little room to color in. Extremely disappointed. Returned immediately upon sight.
